ABOUT

AFS JUNIORS PRO CUP

AFS JUNIORS CUP

The AFS Juniors Cup is responsible for boosting multiculturalism within football in the South East Asian region while providing players an opportunity to compete against some of the best teams in the world. The event is a celebration of the World Game.

Mission

The AFS Juniors Cup goal is to provide younger players that we have catered to in the past- to be exposed to the challenges of playing in an international environment and meeting players from different countries and cultures.
